

LICENSING, REGULATION AND ALCOHOL STRATEGY

Kava in the Northern Territory

In 2007 the Federal Government introduced a ban on the commercial importation of Kava into Australia. As a result, all sales of legal Kava ceased in the Northern Territory.

There will not be any new licenses issued while the Federal restrictions on importation remain in place.

The *Kava Management Act* and the *Kava Management Regulations* still remain in force, in particular their offence provisions.
